

## Dulles Airport New Runways Environmental Impact Statement

### Public Information Meetings for Washington Dulles International Airport (IAD) New Runways Environmental Impact Statement

New Information Available for Proposed New Runways and Associated Improvements

---

#### Mark Your Calendar to Attend

#### Loudoun County Tuesday, April 20

Farmwell Station Middle School  
44281 Gloucester Pkwy., Ashburn, VA

#### Fairfax County Wednesday, April 21

Westfield High School  
4700 Stonecroft Blvd., Chantilly, VA

Please join us anytime between 5 pm – 8 pm to talk with the study team and comment on new study information.

---

#### Study Background

The Metropolitan Washington Airports Authority (MWAA) and the Federal Aviation Administration (FAA) are considering two new runways at Washington Dulles International Airport (IAD). Both are identified in the airport's 1985 Master Plan report. This study is a vital step toward adequately planning to meet the existing and future demand for air travel at IAD.

---

#### Purpose of the Public Information Meetings

At these meetings, the study team will provide new environmental information for each of the proposed alternatives. Potential impacts to noise, air quality, wetlands and more will be displayed. For more study information and to view the alternatives prior to the meeting, visit the study Web site:
